

How You Can Help the Pay It Forward Foundation

TELL A TEACHER . . .

. . . about the Pay It Forward Foundation! Or tell a kid and invite the kid to tell their teacher. We can only help in schools if they know about us.

SPREAD THE WORD!

Start an e-mail chain. Send your friends a link to the Pay It Forward Foundation, and ask them to send it to their friends. It's just like Paying It Forward, but with information. And please remind them that we always need contributions. That's how we say yes to the kids with our mini-grant program.

GIVE THE BOOK!

The book *Pay It Forward* is a great way to introduce people to the concept. The paperback is affordable and has information about the Foundation on the back page. Plus a portion of the author royalties goes to the Foundation. Giving the book as a gift is a great way to spread the word. (The book is for those 12 and up, but there are downloadable, age-appropriate excerpts on our Foundation Web site, and they're free!)

SEND A DONATION!

The more you spread the word, the more mini-grant applications we'll receive. And we want to be able to say yes to the kids. So our funding has to increase along with awareness of our work. If everyone who reads this sends even a few dollars to:

Pay It Forward Foundation
P.O. Box 552
Cambria, CA 93428

it will have an enormous impact.

GIVE A DONATION AS A GIFT . . .

. . . in honor of someone on your birthday or holiday list! We'll send them a personalized gift card to acknowledge your thoughtfulness.

HOLD A SMALL FUNDRAISER . . .

. . . for the Pay It Forward Foundation or make our 501(c)3 charity one of the recipients of your next fundraising event (or even remember us in your will)!
